

Parks in Geauga County

The Foundation for Geauga Parks connects people with nature by funding outdoor education, conservation, and community projects that bring Geauga's natural spaces to life.

Donations to the Foundation have a big impact because they can be used on initiatives throughout Geauga County. Our natural heritage includes Geauga Parks District parks and preserves, Township and Village parks, Western Reserve Land Conservancy and Nature Conservancy preserves, and Ohio Department of Natural Resources land and parks.

All parks and trails listed on this map are open to the public.

-  Geauga Parks District
 -  Township/Village Parks
 -  Ohio Department of Natural Resources
