

CONSERVATION SCHOLARSHIPS

The Foundation for Geauga Parks Conservation Scholarship Program provides \$1000 and \$2000 scholarships to graduating high school seniors who are pursuing further education in fields related to environmental studies and nature (i.e. environmental science, engineering, chemistry, geology, biology, physics, zoology, environmental health and safety, forestry & wildlife management).

Eligible applicants are:

- high school seniors
- residents of or attending school in Geauga County, Ohio
- pursuing higher education in fields related to environmental studies
- cumulative GPA of at least 2.8

Application Deadline: Apply online beginning January 1, 2026. Applications due February 27, 2026.

Applications should include transcripts, list of honors, extra-curricular and work experience, test scores, letters of recommendation and maximum 500 word essay "What career path have you chosen and why?"

The Foundation for Geauga Parks (501c3) raises funds to develop and preserve Geauga County parks and trails and to promote nature education and conservation.
