

Dear Community Partner,

*Nature connects us. It grounds us, inspires us, and brings our community together in powerful ways. At the Foundation for Geauga Parks, we believe in preserving and enhancing these experiences—not only for today, but for generations to come.*

*When you sponsor the Foundation, you're not just supporting one event—you're investing in hands-on nature education for local students, the restoration of critical habitats, the creation of inclusive trails, and the kind of community engagement that fosters a lasting love for the natural world.*

*Your support helps us turn big ideas into reality. From funding innovative outdoor programs to building meaningful partnerships, we rely on sponsors like you to move our mission forward. We'd love to welcome you as a sponsor of our signature event, Twilight Untamed. Together, we can continue creating unforgettable experiences in nature—right here in Geauga County.*

With gratitude,  
Christine Davidson, Executive Director

Since 1991, the Foundation for Geauga Parks has connected tens of thousands of youth and families with nature and raised more than \$5 million to help establish and enhance our local parks and trails. Your business can help continue this legacy. We invite you to support our mission by sponsoring Twilight Untamed, our fifth annual fundraising event—and a celebration of community, conservation, and the great outdoors.

#### About the Event

Tickets are \$65 and include an unforgettable evening featuring live music by local band Southbound, a selection of hors d'oeuvres and desserts, wine and local craft beers, and guided stargazing through telescopes with the Chagrin Valley Astronomical Association. Guests will also enjoy a visit with animal ambassadors. Proceeds from ticket sales, sponsorships, and our silent auction directly support the Foundation for Geauga Parks in preserving natural spaces, enhancing parks and trails, and advancing nature education throughout Geauga County.

#### Why Sponsor Twilight Untamed?

Sponsoring Twilight Untamed is more than just supporting local parks and nature education—it's a powerful way to connect with consumers across Geauga County and surrounding areas. We handle the promotion so you can enjoy the visibility with minimal effort.
